

SUPER ELECTRON WATER

High Quality Natural Water from the Famous Forest Water in Gifu, Japan.

- ❖ Non Heat treated (Genuine Taste)
- ❖ Non-Carbonated
- ❖ Does not contain preservatives, flavourings and any other additives
- ❖ No sugar added (Healthier choice)
- ❖ Soft water – Ideal for babies
- ❖ Extremely high purity (bottled at source)

Why Super Electron Water is deemed superior than Hydrogen Water?

1. Super Electron Water can be kept for a longer period because the water molecules are much smaller
2. Water Molecules have high natural frequencies with a corresponding high level of energy
3. More resistant to HEAT
4. Cells damaged by Reactive Oxygen Species (ROS) can be restored to their normal state by supplementing the electrons. Super Electron Water contains large quantity of electrons
5. Super Electron Water enables Mitochondria to be increased
